Successions: I. After Death II. Inter Vivos -- Lecture XI. Successions: II. Inter Vivos -- Selected Bibliography -- Glossary of Legal Terms -- Table of Cases -- Year Books and Early Cases -- Index
Sommario/riassunto	Much more than an historical examination of liability, criminal law, torts, bail, possession and ownership, and contracts, The Common Law articulates the ideas and judicial theory of one of the greatest justices of the Supreme Court. The John Harvard Library presents a text that is, with occasional corrections of typographical errors, identical to that found in the first and all subsequent printings by Little, Brown.
