Wherein his treachery and back-sliding from the true faith is brought to light, and his untrodden paths discovered. With some of his divided language and deceitful lyes in short laid open, and his spirit proved to be the same which appeared in all the false prophets, who say the Lord saith, when he spake not unto them; plainly to be seen by the impartial eye, in all those whose eyes are in their head, least the wolfe should devour the lamb, under a shadow of love to the truth. // By a lover of truth and peace, called, John Toldervy |
