**Sommario/riassunto**

After a quarter of a century of implementation of New Public Management (NPM) reform strategies, this book assesses the major real outcomes of these reforms on states and public sectors, at both the organisational level and a more political level. Unlike most previous accounts of reform, this book looks at how reform has changed the role

of the public administration in democratic governance. Featuring case studies on the UK, Germany, France, Norway, Ireland, Switzerland, Scandinavia, Post communist states, Mexico, South Korea, Turkey and the European Commission, and focusing on two issues t
