Sommario/riassunto

In the year since her life was torn apart, Kit Colbana has slowly rebuilt herself. There's a promise of hope in the relationship with the alpha of the local shapeshifters and she no longer comes screaming into wakefulness. Life's not perfect but then again, when was it ever? When her best friend Justin comes to her for help, there's little question as to what her answer will be. Witches are disappearing and Justin won't rest until he has answers. Soon, they learn that it's not just witches who've gone missing, but vampires and shifters, too. Unlikely alliances are forged as Kit and Justin find themselves drawn into a twisted web of lies and betrayal. As the clock counts down and the culprit behind recent disappearances is revealed, those Kit loves the most become the target of somebody who will kill to protect an ugly secret. Bonus story: HUNT ME, written by J.C. Daniels' alter-ego, Shiloh Walker
