| Sommario/riassunto | During resent years, the Christian church has taken stock of its beliefs. In the course of the last century, Christian theology has had many challenges to meet and has not remained unchanged by the encounter. There have been radical questionnings of almost every aspect of doctrine. Yet people are more willing now than ever to listen to constructive voices.Christians are in search of a way to articulate faith in God, Father, Son and Holy Spirit, hold convitions about the nature of man and his destiny, and show the relevance of belief to conduct. The author gives a plain and intellectual stateme |
