Nota di contenuto	1. Introduction -- 2. Characteristic Decency of Dangerous Sentimentality? 1939-43 -- 3. Atrocities and the Limits of Civility. 1944-45 -- 4. Rubbing Shoulders with the (Ex)Enemy: Fraternalisation and Marriage -- 5. 'A Blot on Our Fair Name'? Indefinite Detention and Exploitation -- 6. After Liberation: Migration, Memory and the Meaning of British POW treatment -- 7. Conclusion.
Sommario/riassunto	This book examines attitudes towards German held captive in Britain, drawing on original archival material including newspaper and newsreel content, diaries, sociological surveys and opinion polls, as well as official documentation and the archives of pressure groups and protest movements. Moving beyond conventional assessments of POW treatment which have focused on the development of policy, diplomatic relations, and the experience of the POWs themselves, this study refocuses the debate onto the attitude of the British public towards the standard of treatment of German POWs. In so doing, it reveals that the issue of POW treatment intersected with discussions of state power, human rights, gender relations, civility, and national character.
