Sommario/riassunto	The World Bank is in the initial stages of developing a new annual series of World Bank Country Briefs. Tanzania- the second report in the series - will be published in the winter of 2009. These short, country-specific reports examine the economic, social, environmental, and business landscape of developing countries, focusing on issues critical to development. Overview; People and Poverty; Environment; Economy; Governance and Business Environment; Global Links; Statistical Appendix.
