| Nota di bibliografia | Includes bibliographical references and indexes.                                                                                                                                                                                                                                                                         |
| Nota di contenuto    | Framework for understanding child development -- Developing relationships -- Parenting and care-giving -- Resilience and vulnerability -- Protective factors and adversity -- Early years -- School years -- Adolescence -- Conclusions.                                                                                 |
| Sommario/riassunto   | This is a classic text for students and practitioners in the child care and protection field which summarises important current thinking on child development and applies it directly to practice. The book covers key issues such as resilience and vulnerability and the impact of protective or adverse environments. |
