Sommario/riassunto	In Community Economic Development and Social Work, you'll find innovative theoretical approaches to the newly emerging field of community economic development (CED). You'll see how community leaders, residents, community organizations, social workers, city planners, local business owners, bankers, and/or investors can come together to promote successful CED. Community economic development (CED) is a strategy that addresses social and economic development goals, creates jobs, builds assets, and strengthens the social fabric of communities. In Community Economic Development and Social Work, you'l
