Sommario/riassunto	"Take Me to Your Readers is rooted in the belief that teachers can lead their students to develop their reading tastes and grow in their love of reading, at the same time as supporting and stretching students in their meaning-making experiences. This practical resource highlights more than 50 instructional strategies that invite students to work inside and outside a book through reading, writing, talk, and arts experiences. Based on extensive research, the book highlights the work of real teachers, with guest voices that include classroom teachers, occasional teachers, special education teachers, and librarians, all sharing their best literacy practices. Ultimately, this book is designed is designed to take teachers to their readers and start them on a lifelong journey through great books!"--
