Sommario/riassunto	With Beyond Rationality, Kenneth R. Hammond, one of the most respected and experienced experts in judgment and decision-making, sums up his life's work and persuasively argues that decisions should be based on balance and pragmatism rather than rigid ideologies. Hammond has long focused on the dichotomy between theories of correspondence, whereby arguments correspond with reality, and coherence, whereby arguments strive to be internally consistent. He has persistently proposed a middle approach that draws from both of these modes of thought and so avoids the blunders of either extreme. In this
