

1. Record Nr.	UNINA9910130881703321
Titolo	Advances in malignant hematology // edited by Hussain I. Saba, Ghulam J. Mufti
Pubbl/distr/stampa	Chichester, West Sussex ; ; Hoboken, NJ, : Wiley-Blackwell, 2011
ISBN	1-283-40811-2 9786613408112 1-4443-9399-5 1-4443-9401-0
Edizione	[First edition.]
Descrizione fisica	1 online resource (444 pages)
Altri autori (Persone)	MuftiG. J SabaHussain I
Disciplina	616.99/446
Soggetti	Leukemia Lymphomas Myelodysplastic syndromes
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Advances in Malignant Hematology -- Contents -- List of Contributors -- Acknowledgement -- Preface -- List of Main Abbreviations -- PART 1: Hematopoiesis -- 1 Normal and Malignant Hematopoiesis -- 2 The Leukemia Genome -- PART 2: Myeloid Malignancies -- 3 Myeloproliferative Neoplasms -- 4 Molecular Pathogenesis of BCR-ABL in Chronic Myeloid Leukemia -- 5 Standard Management of Patients with Chronic Myeloid Leukemia -- 6 The Molecular Biology of Acute Myeloid Leukemia -- 7 Acute Myeloid Leukemia -- 8 Acute Promyelocytic Leukemia -- 9 A Pluralistic Approach to the Study of Myelodysplastic Syndromes: Evolving Pathology of the Seed via the Soil -- 10 Myelodysplastic Syndrome: A Review of Current Care -- 11 Supportive Care in Myelodysplastic Syndrome -- PART 3: Lymphoid Malignancies -- 12 Molecular Biology of Chronic Lymphoproliferative Disorders -- 13 Chronic Lymphocytic Leukemia -- 14 Acute Lymphoblastic Leukemia -- 15 Large Granular Lymphocyte Leukemia -- 16 Hairy Cell Leukemia -- 17 Molecular Basis of B-cell Lymphomas -- 18 Non-Hodgkin Lymphomas -- 19 Hodgkin Lymphoma -- PART 4:

Plasma Cell Disorders -- 20 Multiple Myeloma: Molecular Biology, Diagnosis and Treatment -- 21 Waldenström's Macroglobulinemia -- 22 Primary Systemic Amyloidosis (AL) -- PART 5: Bone Marrow Transplantation and Quality of Life -- 23 Advances in Allogeneic Hematopoietic Cell Transplantation: Progress in Transplantation Technology and Disease-Specific Outcomes -- 24 Quality of Life after the Diagnosis of Hematologic Malignancies -- Index -- Colour Plates.
