Note generali

Title from PDF title page (publisher web site, viewed May 9, 2011).
Each issue emphasizes a different health-related topic, sometimes reflected in a distinctive subtitle (e.g. 1998 issue: Health, United States : with socioeconomic status and health chartbook). Subtitle varies according to title of Chartbook, <1996/97>-2001. Issues for 2002- have subtitle: with Chartbook on trends in the health of Americans. Issue for 2008 has subtitle: with Special feature on the health of young adults.

Sommario/riassunto

Presents national trends in health statistics on such topics as birth and death rates, infant mortality, life expectancy, morbidity and health status, risk factors, patient care, health personnel and facilities, financing of health care, and other health topics.
