

1. Record Nr.	UNINA9910131353103321
Autore	Jebahi Mohamed
Titolo	Discrete-continuum coupling method to simulate highly dynamic multi-scale problems . Volume 2 : simulation of laser-induced damage in silica glass // Mohamed Jebahi [and three others]
Pubbl/distr/stampa	London, [England] ; ; Hoboken, New Jersey : , : ISTE : , : Wiley, , 2015 ©2015
ISBN	1-119-11928-6 1-119-11929-4 1-119-11527-2
Descrizione fisica	1 online resource (195 p.)
Collana	Numerical Methods in Engineering Series
Disciplina	514.325
Soggetti	Continuum (Mathematics) Discrete element method Multiscale modeling
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
