Descrizione fisica	1 online resource (204 pages) : illustrations
Soggetti	Psychology Social Sciences
Lingua di pubblicazione	Portoghese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	It is impossible to think about the contemporary human being if not immersed in a naturally hybrid environment: biological and technological in constant interaction. This is the invitation that Ivani's work makes us, to observe the body dancing to the taste of technology, in a metaphor for this relationship. The title is one of the first books on the theme released by Editora.
