Lingua di pubblicazione	Portoghese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	In this research, I chose to study specifically egresses from assistance establishments that are in prisons. Who are they? The proposal is to provide data on the trajectory of the young graduates and to bring to light some of the questions that exist about the consequences of hospitalization, both with regard to the "needy" young man and the "offender" young man.
