Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	This work aimed to carry out a thematic study of the relations between History and Ecology, trying to link this analysis to a reference of a given society, period and productive activity. I tried, through this framework, to apply empirically in a given historical context some theoretical reflections, fruit of this verified reality.
