

1. Record Nr.	UNINA9910131506103321
Titolo	Bioinspired Intelligence (IWOBI), 2015 4th International Work Conference on / / Carlos M. Travieso-Gonzalez, Jesus B. Alonso-Hernandez, Karmele Lopez de Ipina, editors
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2015
ISBN	1-4673-7846-1
Descrizione fisica	1 online resource
Disciplina	006.33
Soggetti	Medical informatics Expert systems (Computer science)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Many specifics of the bioinspired intelligence are not well addressed by the conventional models currently used in the field of artificial intelligence The purpose of the work conference is to present and discuss novel ideas, work and results related to alternative techniques for bioinspired approaches, which depart from mainstream procedures Nowadays, the studies based on complex system is opened new doors in research field and in particular, to improve the quality and the results of diverse applications The bioinspired intelligence is done easy this task and in areas like, biodiversity conservation, biomedicine, security applications, etc.
