Sommario/riassunto

I lie French Institute for Research in Africa /IFRA. Ibadan. a foundation of the French government, is a non-profit institute set up to promote research in the social sciences and humanities. as well as enhance collaborative work between scholars in France and West Africa. It was established in 1990 and operates from the University of Ibadan. Nigeria, where it is housed by the Institute of African Studies. IFRA mandate includes subsidizing research programs. granting research allowances to academics and scholars. publishing research results. and holding workshops. seminars and symposia. Over the past few years. the research orientation of IFRA Ibadan has revolved around problems of democratie transition, urban violence and security, and religious networks in West Africa. The Institute also runs a library and publishes a Newsletter.
