Sommario/riassunto	This volume on Metaphors of space, which follows the first dedicated to Politics and spaces, is part of the series dedicated to illustrating the results of an interdisciplinary study group, promoted by Lea Campos Boralevi, Vittore Collina and Brunna Consarelli, teachers of History of Political Doctrines, entitled Figures of space, politics and society, which aims to investigate the great political and social issues of the age; modern and contemporary from the point of view of spaces and their production.
