Disciplina	305.5/6330981
Soggetti	Agricultural Economics Business & Economics Brazil Rural conditions Brazil Politics and government 1954-
Lingua di pubblicazione	Portoghese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	The personal and intellectual experiences that led me to write this book began more than a decade ago, and have spanned my entire career, from the days of "Fulbright" scholarship to the academic stage. Undoubtedly, the central argument has matured in recent years, in the same way that Brazil, itself, has undergone a significant change. However, a set of initial impressions remains today. [excerpt taken from the book's preface]
