

1. Record Nr.	UNINA9910132524003321
Titolo	2013 4th IEEE International Symposium on Power Electronics for Distributed Generation Systems (PEDG) // Institute of Electrical and Electronics Engineers (IEEE) Staff
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2013
Descrizione fisica	1 online resource
Disciplina	621.317
Soggetti	Power electronics Renewable energy sources Distributed generation of electric power
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Theory, analysis, design, development, test and deployment relevant to power electronics for distributed generation and renewable energy systems, including integration of renewable sources with power electronic converters and their control communication, control, monitoring, protection and interconnection of DGs and renewable energy systems microgrid and smart grid application standards and practices.

2. Record Nr.	UNINA9910707478703321
Titolo	Beyond the speed of sound
Pubbl/distr/stampa	[Arnold Air Force Base, Tenn.] : , : [United States Air Force], Arnold Air Force Base, , [2009?]
Descrizione fisica	1 online resource (xii, 248 pages) : illustrations (chiefly color)
Soggetti	Aeronautics Ballistic missiles Cruise missiles Guided missiles Space ships Arnold Air Force Base (Tenn.)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"Hap Arnold's Legacy, Air Force Second to None." Title from title screen (viewed July 15, 2016).
