| Note generali           | Description based upon print version of record.  |
| Nota di bibliografia    | Includes bibliographical references and index.   |
| Nota di contenuto       | Introduction: Good white liberals -- Dumping on white trash :<br>etiquette, abjection, and radical inclusion -- Demonizing white<br>ancestors : unconscious histories and racial responsibilities -- The dis-<br>ease of color blindness : racial absences and invisibilities in the<br>reproduction of whiteness -- The dangers of white guilt, shame, and<br>betrayal : toward white self-love -- Conclusion: Struggles over love.   |
| Sommario/riassunto      | Building on her book <i>Revealing Whiteness</i> , Shannon Sullivan identifies a<br>constellation of attitudes common among well-meaning white liberals<br>that she sums up as "white middle-class goodness," an orientation she<br>critiques for being more concerned with establishing anti-racist bona<br>fides than with confronting systematic racism and privilege. Sullivan<br>untangles the complex relationships between class and race in<br>contemporary white identity and outlines four ways this orientation is<br>expressed, each serving to establish one's lack of racism: the<br>denigration of lower-class white people as responsible for ongoing<br>white racism, the demonization of antebellum slaveholders, an<br>emphasis on colorblindness--especially in the context of white<br>childrearing--and the cultivation of attitudes of white guilt, shame, and |

betrayal. To move beyond these distancing strategies, Sullivan argues, white people need a new ethos that acknowledges and transforms their whiteness in the pursuit of racial justice rather than seeking a self-righteous distance from it.--Publisher description.
