Sommario/riassunto	This volume examines communication processes within the grandmother-mother-daughter relationship, emphasizing an intergenerational perspective. Using observations of and extensive interviews with six sets of middle-income, Caucasian female family members, this book offers a heuristic account of intergenerational mother-daughter relational communication. Author Michelle Miller-Day integrates and juxtaposes alternative experiences of social interaction, situating readers in the world of grandmothers, mothers, adult daughters, and granddaughters as they experience, describe, and analyze th
