

1. Record Nr.	UNINA9910133474503321
Autore	Ruhl Marco
Titolo	Linguistique pour germanistes : une tentative de médiation entre la tradition française et la tradition allemande de l'étude de la langue allemande / / Marco Ruhl
Pubbl/distr/stampa	ENS Éditions, 2000 France : , : ENS éditions, , 2000
ISBN	9782847884425 (ebook) 9782902126835 (paperback)
Descrizione fisica	1 online resource (160 pages) : digital, PDF file(s)
Collana	Feuillets
Soggetti	Languages & Literatures Germanic Languages
Lingua di pubblicazione	Francese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	As this book is intended as a "guide" to the first steps in German linguistics, illustrative rather than exhaustive so as not to be too technical, it required a somewhat particular mode of presentation. Several times the reader will find paragraphs in smaller characters whose function is as follows. While these paragraphs are relatively long, they delve into a topic covered by the section in which they appear. In this case, the reader can leave them aside for a first reading and resume them later. If, on the other hand, they are brief, only a few lines, two cases arise: either they are the digest of a development which comes to an end where they appear, or they compare French and German linguistic terminologies where they do not agree and lend themselves to misunderstanding. In these cases, they are intended as a terminological reminder.
