Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	The relationship between China and Taiwan is more stable in 2009 than it has been years; at the same time, the cross-strait military balance is shifting in ways that are problematic for Taiwan's defense. This volume examines the changing China-Taiwan political dynamic, evaluates key aspects of the cross-strait military balance, and considers how Taiwan might be successfully defended against a Chinese invasion attempt.
