

1. Record Nr.	UNINA9910133794203321
Titolo	BMC obesity
Pubbl/distr/stampa	London : , : BioMed Central, , [2014]-[2019]
ISSN	2052-9538
Descrizione fisica	1 online resource
Soggetti	Obesity Body Weight Periodicals. Fulltext Internet Resources. Periodical
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	"BMC Obesity is an open access, peer-reviewed journal that considers articles on all aspects of human obesity across the lifecourse. These include the prevention, causes, treatment, management, and implications of obesity, incorporating lifestyle, epidemiology, policy and community/environmental interventions, related approaches for weight loss and the prevention of weight gain, management of the condition including the use of drugs and surgery, and basic science relating to the causes and effects of obesity."
