Sommario/riassunto	"Quaestio Rossica" is a peer-reviewed academic journal focusing on the study of Russia's culture, art, history, archaeology, and linguistics. The Journal aims to broaden the idea of the Russian humanities discourse within the international scientific space. Priority is given to articles considering new historical and literary sources, observing rules of academic writing and objectivity, and characterized by historiographic completeness and polemic approach. The Journal publishes articles in Russian, English, German and French.
