

1. Record Nr.	UNINA9910134876803321
Autore	Ancheyta Jorge
Titolo	Deactivation of heavy oil hydroprocessing catalysts : fundamentals and modeling // Jorge Ancheyta
Pubbl/distr/stampa	Hoboken, New Jersey : , : John Wiley & Sons, , [2016] ©2016
ISBN	1-118-76991-0 1-5231-0978-5 1-118-76981-3 1-118-76963-5
Descrizione fisica	1 online resource (339 p.)
Disciplina	622/.33827
Soggetti	Petroleum - Refining Catalyst poisoning
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Properties of heavy oils -- Properties of catalysts for heavy oil hydroprocessing -- Deactivation of hydroprocessing catalysts -- Characterization of spent hydroprocessing catalyst -- Modeling catalyst deactivation.
