Sommario/riassunto	A specification format guide for the preparation of a rate-integrating gyroscope specification is presented. Recommended procedures for testing a rate-integrating gyroscope are compiled. This standard, when combined with IEEE Std 517-1974 (R1980), defines the requirements and test procedures in terms of characteristics unique to the gyroscope or those applications in which the dynamic angular inputs are significantly greater than the limitations identified in IEEE Std 517.

Sommario/riassunto

Shaping Memories offers short essays by notable black women writers on pivotal moments that strongly influenced their careers. With contributions from such figures as novelist Paule Marshall, folklorist Daryl Cumber Dance, poets Mari Evans and Camille Dungy, essayist Ethel Morgan Smith, and scholar Maryemma Graham, the anthology provides a thorough overview of the formal concerns and thematic issues facing contemporary black women writers. Editor Joanne Veal Gabbin offers an introduction that places these writers in the context of American literature in general and African American literature
