

1. Record Nr.	UNINA9910135780803321
Titolo	ANSI Std N42.17A-1989 : American National Standard Performance Specifications for Health Physics Instrumentation-Portable Instrumentation for Use in Normal Environmental Conditions // IEEE
Pubbl/distr/stampa	New York : , : IEEE, , 1989
ISBN	0-7381-4633-1
Descrizione fisica	1 online resource (28 pages)
Disciplina	539.77
Soggetti	Radioactivity - Instruments Radiation - Measurement - Standards Radioactivity - Measurement - Standards
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Minimum acceptable performance criteria for health physics instrumentation for use in ionizing radiation fields are established. Included are testing methods to establish the acceptability of each type of instrumentation. This standard does not specify which instruments or systems are required, nor does it consider the number of specific applications of such instruments.
