Edizione	[1st ed.]
Descrizione fisica	1 online resource (495 pages)
Altri autori (Persone)	AronsonSeth HaenCraig
Disciplina	616.89140835 616.89152
Soggetti	Adolescent psychotherapy
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	section I. Nuts and bolts -- section II. Approaches -- section III. Settings -- section IV. Culture -- section V. Targeted group interventions.
Sommario/riassunto	This handbook describes in detail different contemporary approaches to group work with children and adolescents. Further, this volume illustrates the application of these models to work with the youth of today, whether victims of trauma, adolescents struggling with LGBT issues, or youth with varying common diagnoses such as autism spectrum disorders, depression, and anxiety. It offers chapters presenting a variety of clinical approaches written by experts in these approaches, from classic (play therapy and dialectical behavior therapy) to cutting-edge (attachment-based intervention, mindfulness, and sensorimotor psychotherapy). Because of its broad scope, the book is suitable for a wide audience, from students to first-time group leaders to seasoned practitioners.
