Acting white -- Acting black -- Acting red -- Acting yellow -- The Civil War -- Epilogue: acting corporate.
Sommario/riassunto	"Women played an integral role in the theater of the Antebellum and Civil War South. Although cast in parts written by men, they subverted norms of femininity in their public personas and independent personal lives. Educated and often wealthy but never accepted by the landed elite, women distinguished themselves by carving out an in-between

class status"--
