Sommario/riassunto	Sex, drums, and denial; three things that Ryker Jeffries excels at. Ryker buries himself in music and insignificant women, all part of his plan to keep the woman who owns his heart free from his tainted past and his darkest secret. But pretending not to want her has never been easy. Loyalty, honesty, and desire for Ryker; three things that Faith Bishop excels at. Excited about her future, Faith looks forward to finally living life on her terms. Intelligent and realistic, she knows the women who steal Ryker's attention are all of the things she will never be. But wanting him has never been a choice. Will he be able to resist her, or will he finally cave to his desires? Will she be able to handle his past, or will it shatter her? **Due to adult content - 18+ please** This is a standalone novel
