Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>Set on the Niagara frontier in the final days of the American Revolution, The Life and Times of Captain N. sees the revolutionary new world order from the standpoint of the losers. Hendrick Nellis, a Tory guerrilla, has also been a redeemer of whites abducted by Indians. His son Oskar finds himself sometimes allied with the Indians, sometimes at war with them. Hendrick kidnaps Oskar for King Georges army, and Oskar, haunted by dreams and by books, is the teller of the tale. The book he intends to write is sketched out in his letters to George Washington and in the signs tattooed on his skin as mementos of his personal Indian wars.</p>
