Sommario/riassunto	God is moving todayGod desires to draw all people to Himself. He is awakening the world through the reconciling love of Jesus and the power of the Holy Spirit. What if the Lord was already awakening you, your family, your church, your city? Are you willing to let His Spirit, without warning, sweep through your own life?In Jesus Now, join Dr. Phillips as he explores:the themes and patterns of previous revivals that are becoming apparent today.the unpredictable, untamed purposefulness of God to draw His church to Himself through ordinary

and anonymous Christians. how the power of prayer has found
extraordinary new expression within Christians who have raised the
name of Jesus above a denomination or ministry. human impediments
to God-initiated and sustained spiritual awakening. ten principles to
discern current revivals. how to seek and follow Jesus, who has
promised to do far more than you could ever imagine or request. God is
up to something big. What is your place in His great awakening?
Because of Jesus, our churches, nation, and lives will never be the same
again.
