Sommario/riassunto	Tally Greyson is trying to save her mother from the grasp of a seductive cult. What Tally doesn't realise is that in this community, there's a far greater danger than any she can imagine. Concert pianist Liesl Bower has put her own dangerous past behind her, and is preparing for a world concert tour with her dear friend, violinist Max Morozov. She thinks she's safe, until a world leader is assassinated on the other side of the globe, setting events into motion that could kill the U.S. president, destroy Washington, and take everything Liesl loves with it. A madman is at the controls now.
