Sommario/riassunto	<p>One night. New Year's Eve in Miami. Even workaholic Alana Hernandez can't resist the call of the city, especially if it will get her little sister off her back. But a night of celebrating turns into a night of mischief when an alluring stranger catches her eye across the dance floor. No names. Former Navy Seal Cole Roberts isn't looking for anything more than a good time in Miami. Since leaving the military and being betrayed by his former fiancée, he's not interested in unnecessary complications. But the moment he sets eyes on the sultry beauty, Cole knows this night will be far from ordinary. No going back. Neither Cole nor Alana are looking for a relationship, so they strike a deal: One night. No names. No repeats. But things get complicated when their night of passion becomes something neither can walk away from.';The epitome of a page-turner. The multi-dimensional characters are vulnerable and simply pulsate with unbridled lust and passion. An ultra-hot tale.' RT Book Reviews, 4 Stars</p>
