Sommario/riassunto	Between 1966 and 1980, the War History Office of the National Defense College of Japan published the 102-volume Senshi Ssho (War History Series). These volumes give a detailed account of the operations of the Imperial Japanese Army and the Imperial Japanese Navy during the Second World War. This book, vol. 3 of the series, describes in depth the campaign to gain control over the Indonesian archipelago.
