Exclusion -- Part 2. Liberalising the Frontier -- 5. Gateway City -- 6. Health City -- 7. Education City -- 8. Conclusion -- Acronyms -- Glossary of Non-English Terms -- References -- Index
Sommario/riassunto	While India has been a popular subject of scholarly analysis in the past decade, the majority of that attention has been focused on its major cities. This volume instead explores contemporary urban life in a smaller city located in India's Northeast borderland at a time of dramatic change, showing how this city has been profoundly affected by armed conflict, militarism, displacement, interethnic tensions, and the expansion of neoliberal capitalism.
