Sommario/riassunto	The Law of Success was a precursor to Napoleon Hill's Think and Grow Rich. Hill was well known for researching what made millionaires different from the common man. The sixteen lessons in this book perfectly crystallize everything you will need to know to succeed during these hard economic times. Many of today's best known self help books take their core concepts from this book. The Secret, the Power of Positive Thinking, the Millionaire Next Door, and The Law of Attraction all take their basic premises from this landmark work. Now you can get it from the source. Once you've read this book you
