Livello bibliografico	Monografia
Sommario/riassunto	<p>"New York Times and #1 international bestselling author Linwood Barclay delivers the second spine chilling thriller set in the troubled town of Promise Falls, following the electrifying cliffhanger ending of Broken Promise. After the screen of a run-down drive-in movie theater collapses and kills four people, the daughter of one of the victims asks private investigator Cal Weaver to look into a recent break-in at her father's house. Cal discovers a hidden basement room where it's clear that salacious activities have taken place as well as evidence of missing DVDs. But his investigation soon becomes more complicated when he realizes it may not be discs the thief was actually interested in. Meanwhile, Detective Barry Duckworth is still trying to solve two murders one of which is three years old he believes are connected, since each featured a similar distinctive wound. As the lies begin to unravel, Cal is headed straight into the heart of a dark secret as his search uncovers more startling truths about Promise Falls. And when yet another murder happens, Cal and Barry are both driven to pursue their investigations, no matter where they lead. Evil deeds long thought buried are about to haunt the residents of this town--as the sins of the past and present collide with terrifying results"--</p>

"When private investigator Cal Weaver looks into a break-in at the home of a recently deceased man, he uncovers far more than he is prepared for after he finds a hidden room in the basement. All evidence points to the room being used for salacious activity. Perhaps something illegal. He also finds that a cache of DVDs has been stolen from the room and soon realizes it may not be discs the thief was actually interested in. But there is something even darker than thievery in town. Detective Barry Duckworth is doggedly trying to solve two murders, one of which is three years old. He believes the killings are connected, since each featured a similar distinctive wound. And the key to his mystery may lie with Cal Weaver's own labyrinthine case. As the lies begin to unravel, and another murder happens, Cal and Barry find themselves headed straight into the heart of a dark secret as they uncover more startling truths about Promise Falls. Evil deeds long thought buried are about to haunt the residents of this town as the sins of the past and present collide with terrifying results"--
