Sommario/riassunto	"The saying goes you shouldn't bite the hand that feeds you, but maybe you should if that same hand prevents you from feeding yourself. Every territory has a king, and Metro Atlanta is no exception. Gang lords Blanket and Guerilla have been growing their numbers, never beefing until Guerilla decides to expand, thanks to the help of his enemys own rook. Caught in the middle of this battle from different sides of the track are London and Saint."--
