Sommario/riassunto	"There's not a kid in the world who hasn't set foot on The Island of Grump more than once, and adults will recognize it, too!" -- Carol Nicklaus, Award-winning author, and illustrator of Sesame Street's Elmo's ABC Book The Island of Grump , from multi-platinum songwriter Kenny Lamb, is a wonderfully illustrated lyrical tale with a strong message and a musical rhythm. The story focuses on Gilbert, as he learns the consequences of what happens when he can't let go of his grumpiness--he finds himself a castaway from his friends, all alone on the metaphorical island of Grump! Kenny Lamb delivers a powerful lesson to children through parents while taking readers to a sweet and simple place, somewhere between Seuss and Silverstein. Poetry and the real world collect into pools of the imagination. This unique is sure to become an instant classic!
