Sommario/riassunto	The volume deals with some of the most relevant issues related to the identity of the public library and its historical, cultural, social, organizational changes, according to a comparative perspective. The topics are covered in four sections (History, Present and Future of the Public Library; Models of Analysis, Measurement, Evaluation; Complexity Challenges; Work in Progress), thus providing a wide

overview of the present and the future of an institution paramount in
improving people's lives
