Sommario/riassunto	<p>This meeting sought to give an account of the issues raised in Social Sciences worldwide by the migrations and mobilities of populations, particularly Syrian, caused by the upheavals taking place in the South and East of the Mediterranean since 2011. Researchers coming from various disciplines of Social Sciences, who are working on migration issues in Europe, the USA, and the Middle-East, in a historical perspective and with an ethnographic approach, participated in the Conference.
