Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	This ethnology of daily life before the time that we offer to the reader testifies, even today, to the great tradition of French Orientalism, that of a Louis Massignon or a Gabriel Bounoure; a tradition based on respect for the Other and on the belief that it is possible to establish with him, even in a situation of political inequality that was that of the time of Jean Gaulmier, a true exchange and partnership .
