

1. Record Nr.	UNINA9910137545003321
Autore	Chai Yi
Titolo	Intelligent testing, control and decision-making for space launch // Yi Chai, Shangfu Li
Pubbl/distr/stampa	Singapore : , : Wiley, , 2015 ©2015
ISBN	1-118-89000-0
Descrizione fisica	1 online resource (288 p.)
Disciplina	629.47/42
Soggetti	Space vehicles - Control systems - Testing Space vehicles - Control systems - Design and construction Rockets (Aeronautics) - Launching Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Overview of testing and control for space launch -- Networks of testing and control for space launch -- Intelligent analysis and processing for testing data -- Intelligent fault diagnosis for space launch and testing -- Safety control of space launch and flight : modeling and intelligence decision -- Development tendency of space launch test and control.
