Soggetti	Archives - West (U.S.) Archives - Technological innovations - West (U.S.) Archival resources Archives Archives - Technological innovations Periodicals. West (U.S.) Archival resources Periodicals West United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	Focuses on contemporary issues and developments in the archival and curatorial fields, particularly as they affect Western archives and manuscript repositories. Submissions that provide insights on how technological changes have affected archival theory and practice are welcome, as are those that consider collaborative efforts and projects between different cultural heritage institutions. The history of archives/special collections and the development of the archival and curatorial professions in the western United States are also of particular interest.
