Sommario/riassunto	Best-Practice EVA tells the new EVA story from the ground up. Stewart covers EVA essentials-the classic economic profit version of EVA-in the first three chapters of the book. He shows readers how simple and intuitive EVA really is, how it is defined, and why it is better than all other measures of corporate profit. You discover how it naturally guides managers into making all the right decisions-the ones that will truly maximize value. You see how to use it in profit-sharing bonus plans that create the powerful incentives of an owner. Later, Stewart introduces new ratios that make EV
